Paul attended Oklahoma State University from 1986 to 1993, receiving B.S. and M.S. degrees in Animal Science. Paul completed his Ph.D. at the University of Arkansas in 2003 and joined the faculty of the Department of Animal Science in 2004. Paul conducts research at the Southwest Research and Extension Center near Hope and the Livestock and Forestry Research Station near Batesville.

Gary McManus joined the Oklahoma Climatological Survey in May 1999 and currently serves as the Associate State Climatologist for Oklahoma. Gary is editor in chief of Oklahoma’s Monthly Climate Summaries and has done extensive research cataloguing Oklahoma’s weather hazards. A native of Buffalo, Oklahoma, Gary earned his B.S. and M.S. degrees in Meteorology from the University of Oklahoma.

Gary McManus

Oklahoma Climatological Service

Dr. McCormick received a BS from Mississippi State University, MS from LSU and PhD from VPI (1980) in ruminant nutrition with an emphasis on forages. For the last 28 years he has conducted research on baleage/silage forage conservation systems, pastured dairy cattle and dairy nutrition.

Mike McCormick

Louisiana State University AgCenter

Ron is professor and Extension livestock specialist for Texas AgriLife Extension. In addition, he serves as Associate Department Head and Program Leader for Extension animal science faculty. Gill continues to provide leadership in Extension programming related to animal well-being and low-stress livestock handling.

Ron Gill

Texas A&M

Brian attended South Dakota State University from 1987 to 1992, receiving his B.S. and M.S. degrees in Animal Science. Brian began his Oklahoma Extension career in 2004 as the Agriculture Educator in LeFlore County. Brian currently serves as the SE District Livestock Specialist providing support for 19 counties in Oklahoma.
